

# Welcome Ben Vindo

Dear Participant

On behalf of the Board of GAMIAN-Europe I am delighted to extend a warm welcome to you at the 13<sup>th</sup> Annual Education Convention with the theme "Strengthening of Patient's Voice in the Improvement of Mental Health Care". The theme was chosen following your suggestion in view of the challenges as well as opportunities which patient organizations are facing. Building a solid organization will benefit the aims of every patient. We hope you will find the various sessions both interesting and informative. The Convention is also a great opportunity to renew old friendships as well as create new ones.

With best wishes
